

Summer school on

# BIOPHOTONICS 2025

**May 26 – 31, 2025, Košice**

*Enhance your knowledge, boost your CV and learn new skills  
from the experts.*

## WHO CAN PARTICIPATE?

PhD students interested in molecular, cellular  
and clinical biophotonics applications.

The number of participants **will be limited**,  
and admission will be on a first come, first served basis.

## WHAT TO EXPECT?

Interesting talks by UPJS (Košice), MedUni (Wien),  
UCM (Trnava), CSIC (Madrid) and ILC CVTI SR  
(Bratislava) researchers. Experimental training in  
fluorescence microscopy, optical tweezers, laser  
spectroscopy and Raman spectroscopy.

## WHAT DO YOU NEED?

Fill the **registration form** and send it to us before  
**2<sup>nd</sup> May 2025**. There is no registration fee. Other costs  
(travel, accommodation and food) belong to participants.

For more information, contact us: [gregor.bano@upjs.sk](mailto:gregor.bano@upjs.sk)
